

Keep Sandwich Warm!

Sandwich Craft Club

Every Wednesday

9.30am – 11.30am
at
Age Concern Sandwich

If you can knit or crochet, then come along to our craft club at the Age Concern Centre in Sandwich. Or, if you prefer, you can deliver any unwanted yarn you might have to our Guild Hall shop or Cattle Market day centre for distribution.

If you can only make squares or strips, that's ok - we will happily take your squares/strips off your hands as we'll have someone who will sew them together to make throws, shawls and blankets.

Give or take donated yarns from baskets in our shops and day centre. Every little helps!
